

Could you volunteer and become a School Governor?

Help govern one of our state-funded primary or secondary schools, in **Wantage** or **Abingdon**

- Do you care about improving children's education?
- Do you want to work as part of a team, but also challenge and ask questions?
- Are you open to new ideas, willing to learn and undertake training to understand the role?

We'd love to hear from you, please call Vicky Roberts, Head of Governance, at **07387 019785** or **vroberts@vale-academy.org**
